

Recruitment Process Outsourcing Competitive advantage in recruitment

With Ceridian RPO, you can give your business the competitive advantage that comes with streamlined processes, budget flexibility, and capacity scaled to demand.

What is Recruitment Process Outsourcing?

RPO provides best-in-class process management supported by technology. By working with Ceridian, you can:

- optimise your sourcing channels,
- access meaningful, robust reporting,
- remove budget uncertainty,
- save time spent on administration,
- boost your brand in the marketplace
- improve your company's time to hire
- increase the quality of the candidate pool
- provide verifiable metrics
- reduce cost
- ensure regulatory compliance

Research has shown that companies with superior recruiting practices financially outperform those with less effective recruitment programmes. Ref. Aberdeen Group RPO Report, 2008

The Bottom Line

By removing fixed costs from your business, you can directly impact your bottom line whilst ensuring that you get value from your recruitment spend.

And of course, by getting talented people to join your organisation Ceridian RPO will positively affect your business performance.

How we do it

We enable you to concentrate on your talent strategies by providing the people, processes and technology that drive your end-to-end recruitment cycle.

We can reduce your time to hire, so you can access talent more quickly. We give you that competitive advantage through efficiency.

Recruitment agencies typically charge between 15% and 30% of the first-year compensation, per position filled.
